You, the leader of the Branch, don't know this important information?

Even though I'm still in one of the eight Great Families in the Main Family?

Eight Great, Four Great, I don't care.

But... it means you're important, right?

Of course!

She Swings

I don't know who this Su-hyun or what not is, but I'm far more incredible than him--

The best weapon is what
you're used to using!

Shik: Shushuk

Shik: Boom

Kugh...

Shik: Chuk

Hahah! I've spent thousands
of hours with this weapon,

Don't underestimate
the computer mouse...

Sfx: Papapap

There's no opening for me to give him a taste of Blood Snake Arts.

Hey, get out of there!

T-That's a 120 inch, 4k monitor you know!!

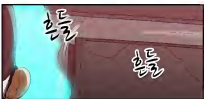

Get away from there now!

Kekake... Alright, so that's how it is, huh.

What... What're you trying to do...?

Sfx: Shake shake

Thump!

Sfx: Oomg

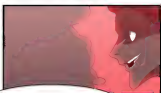

Sfx: Lght

Is this that important?

LONG DANGA!

You coward... Just put it down gently

As expected of a PC lover, you're really putting your life on the line for this monitor.

Treat your PC with respect, you evil and cheap Branch!!

I know how to treat it, you stupid PC idiot!

I'll give your precious monitor back to you!

Kungh!!

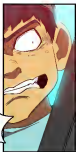

Sfx: Hwaah

Sfx: Catch

Oh no!

Blood Snake,
Chapter one!

Chapter

So Aran destroyed this building alone, huh...

He said he was going to strike back, but I didn't think he'd be this brash and irresponsible...

I really can't deny the results though.

Just how... can he imprison people while being afflicted by the Majin state...

That's what's so interesting about Aran.

Sfx: Chik

He's extremely aggressive and destructive. He wields the Branch Ki yet does not kill...

This is Aran's true nature. He's kind and has a warm heart.

LOVE MANGA!

So even that kind of personality is useful, huh.

But the situation isn't good right now.

Sfx: Searching

Su-hyun took down most
of our stores already.

T-That fast?

Su-hyun's position in
the Main Family is stronger
than I thought.

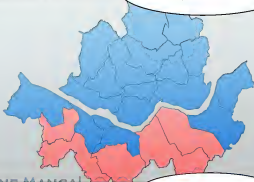

At first, there was a
group that was against him
being the leader...

but most of them are
following Su-hyun now.

The more the
Main Family unifies, the
more disadvantageous
it is for us.

The Elder's absence and
Aram's position. Everything
we have is scattered.

LONE MANGA!

The only way to deal with
the current situation is...

for Aram to catch Su-hyun.

I'll turn you into
a bee's nest with my
mechanical keyboard!!
